

## Early Years Pupil Premium Strategy (EYPP) 2019-2020

At Abercromby, we have a small percentage of children eligible for EYPP, although other children are disadvantaged in other ways e.g. being part of an asylum seeker family and/or through being at beginner stages of learning English. About 65% of our children have English as an additional language. The biggest factor affecting children's progress is their acquisition of communication and language skills, learning to speak English.

Our aim is to use our EYPP to provide experiences and resources that many of our children eligible for EYPP wouldn't otherwise access. This will also support other disadvantaged children. By buying in these exciting experiences, we anticipate that this will give the children something thrilling that they just have to communicate about and that will enhance their Cultural Capital.

We start this year with 9x children in receipt of Early Years Pupil Premium (£302/child) and so expect to receive just over £2,700.
