

Expressive Arts and Design

The development of children's artistic and cultural awareness supports their imagination and creativity.

Explore and Play with Materials

It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials.

See, Hear and Participate

The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts.

Build Understanding and Appreciation

The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe.

Imagination and Creativity

Through these experiences, children develop their imagination, creativity and artistic skills, helping them to express themselves and make sense of the world around them.
